

DANISH FURNITURE DESIGN IN THE 20TH CENTURY

Danish Furniture Design in the 20th Century

DANSK
MØBEL
KUNST

2 volume book-set with the complete history of Danish furniture design in the 20th Century written by Professor Arne Karlsen.

The book covers the entire period, from the foundations laid by the "Klint School" in the 1920's, through the "golden age" in the middle of the century which established so many of the great Danish furniture designers, and the legacy they left behind.

Volume 1, 230 pages.

Volume 2, 334 pages.
